Poinsettia Sponsors

Thank you, Haslett Band Families, for your generous support of our programs throughout the year. One of our traditions is to sponsor poinsettia plants (6.5″ pots) in mylar gold wrappers to ring the stage on concert night.

There are plants ordered for both the middle and high school concerts. After each concert sponsors can either take the plant home or donate the plants to the band. Donated plants will be gifted to those school staff who provide additional support to our program throughout the year.

The beautiful poinsettias are provided by Van Atta's Greenhouse and are $12 each. If you would like to sponsor, please turn in form and payment using one of these methods:

Make check payable to: Haslett Band Boosters

- Middle school students can drop the form and payment in the Haslett Band Boosters box in the band room
- High school students can drop the form and payment in the Haslett Band Boosters box in the band room

Student Name: _____ Student Grade/Band Hour: _____

Parent/Guardian Name: _____ Phone Number (for Pickup)_____
