## **Committee Reports & Old Business**

- Fundraising
  - Craft Show - Carole, Kassy, Jen H
    - Generally close with 40-50% renewals for next year, received 35% reservations
    - 30 vendors cancelled due to covid - emails sent with information for craft show 2022, 4 have already reserved.
    - Research in online registration/payment
    - Look into Facebook page (Dewitt has one)
  - Indian River Citrus - Missy
    - Delivery 11/16. Need volunteers on standby to unload truck.
    - Early estimate is \$2700 profit
    - Few gift boxes to sell - \$20 each
    - Extra fruit to replace potential damaged fruit.
    - Prizes to be announced
  - Cookie dough - Missy

Fruit is tentatively scheduled to be delivered November 16th in the evening. SO we will need volunteers on standby to help unload the truck and sort out orders. We have 257 boxes to unload from the truck! It would be great to have at least 2 people on the truck to hand down the boxes and then people on the ground to grab the boxes to put them on carts then a couple people to take them in the band room or shared room to unload and then sort.

As far as the profit goes.. We are still working on the final numbers.. but it is looking like we made around \$2,700. There will be a few of the gift boxes to sell at pick up because we had to order in quantities of 6. Luckily we will not have very many..They are \$20 each. Normally they also send some extra fruit as well in case of damage in the trip up, but I will not know what until it gets here.

Prizes will be announced in the next week or so for the classrooms that won as well as the student that won. It was VERY close! I believe the directors wanted to wait until after the concert to have the party. But I will announce the winners soon. I am just trying to get a second place as well as a 3rd place prize as it was very close for the students that worked hard on the sale..

Cookie Dough-

Set to kick off on november 8th. Flyers will go home with middle school students then. It will be an online and in person sale. Jodi from Centry Foods handles the kick-off with the directors. We are asking for one 1 check payable to Haslett Band Boosters for the paper orders.

- Marching Band Uniforms - Patti or Suzanne
  - Uniforms back in lockers
  - Once the football season is over, to take to dry cleaners
  - Rain coats still damp - drying in band room
  - Review need to order additional uniforms - directors to approach district for funding
- Concert Uniforms - Juli
  - Juli to speak with directors regarding ordering bowties.

I have about 24 new tux wearers in concert band uniforms. This means I have only about three or four "extra" bow ties. In the past, I always had enough ties to cover those who forgot them. Now, I will not have that luxury. In fact, I will probably have to borrow ties from middle schoolers in order to have the high school band wearing ties for their concert. (Yep, turns out several can't find their ties that were purchased two or three years ago!)

So.....while we voted to give away the extra shirts, I'm wondering if we should at least charge for ties?

3 years ago we purchased the "package" for Ryan  
 one shirt  
 four stud buttons  
 cuff links  
 bow tie

I think it was about \$41.64 or some figure like that.

I think last time we ordered a bow tie and studs/links for one student and it was about \$15.

Perhaps we should charge \$15 for the shirt/tie/studs/links that we are providing to students this year? Three of the shirts are actually fresh out of the package new ones that were ordered but never used.

Also, maybe we could just order some bow ties? I have heard they aren't available, but they are advertised on Amazon as if available....
